

6 things to do these school holidays in Bundaberg

1. Beach Hop

Visit five family-friendly beaches in one day - and make sure you grab a Mammino ice-cream on the way! Woodgate, Elliott Heads, Bargara, Mon Repos and Burnett Heads each have their own special charm (and playgrounds) to fill a day of sandcastle building, swimming, stand-up paddle boarding and picnics.

Lady Musgrave's protected lagoon waters provide easy and safe snorkelling for children right off the beach. Watch as manta rays glide through the water or swim alongside turtles. Keep your eyes open as you'll see lots of colourful marine life.
